### CODE OF CONDUCT

As part of the Photographer's Membership I will adhere to the following Code of Conduct:

- I understand that my 3-hour session includes any and all set-up and tear-down of any props that I want to bring and use and that the time is my total time on the property.
- I understand that it is up to my discretion whether or not to cancel my session due to weather conditions and I may not have the opportunity to book additional hours that month.
- I understand that Hawks Point Acres includes terrain that is rugged and needs to be navigated carefully so that bumps and pits and dips in the ground do not cause injury.
- I understand that my 3-hour session may overlap with one other photographer.
- I will extend every professional courtesy to the other photographer and work in harmony within the outside spaces and inside the event barn.
  - o Along these lines, I will do my best to take outside pictures first and inside pictures last so that overlapping use of the inside backdrop will be minimized.
- I understand the inside backdrop will remain the same all year. However, I am able to bring personal props to add to what Hawks Point Acres provides.
- I understand that Hawks Point Acres is a small business that must have its property, buildings, furniture, and décor in top condition in order to do business.
- I will be respectful of Hawks Point Acres property, building, furniture, and décor by leaving everything the same or better than I found it.
- I will tag Hawks Point Acres in any photos I use on social media. I understand that Hawks Point Acres will tag me in any photos of mine they use on their social media accounts.
